Task 3b: AI search (15/15 answers)

Five identical neutral prompts, fresh conversations, 31 October 2026 IST. ChatGPT: Instant (visible default, signed in; Plus account); Perplexity: Search (signed in, Free plan; automatic Pro free preview shown; model unspecified), Search (signed in, Free plan; model unspecified), Search (visible default, signed out; model unspecified); Gemini: Flash-Lite (visible default, signed out). Account and model differences limit direct comparison. Position means order in an answer, not a stable ranking. Literal AI-linked URLs are preserved; some are inaccurate or search wrappers. Explicit hyperlinks were captured; citation-chip targets were not all expanded. Original screenshots are bundled in screenshots/.
